Notice of Market-Dominant
Price Adjustment

Docket No. R2013-10

CHAIRMAN'S INFORMATION REQUEST NO. 11

(Issued November 6, 2013)

To clarify the Postal Service's planned market dominant price adjustments in its Notice of Market Dominant Price Adjustment, filed September 26, 2013 (Notice), the Postal Service is requested to provide written responses to the following questions. Answers should be provided no later than November 8, 2013.

1. Please refer to the response to Chairman's Information Request No. 8, question 9, which states that "BPM flats destinating at FSS locations that currently qualify for the DDU discount will continue receiving it."
 - a. Please identify all other non-Flats Sequencing System (FSS) rates that will be available to flats destinating at FSS locations, and explain whether such mail will have to satisfy the preparation requirements for FSS zones or for non-FSS zones.

- b. Please confirm that modifying the proposed price tables in the Mail Classification Schedule (at section 1415.6 as shown on pages 73-75 of Attachment A to the Notice) to retain the column for DDU Destination entry prices in the Carrier Route FSS and Presorted FSS price tables would clarify that DDU rates will remain available to qualified carrier route and presort BPM flats. If not confirmed, please explain.

By the Chairman.
